“Dealing with Difficult People”

Presented by

Jeffrey L. Washington

Motivational Speaker & Trainer

Are you dealing with a difficult person or situation? Who are the difficult people in your life, be it professional or personal? What makes them difficult and how can you deal with them effectively? Dealing with Difficult People is an interactive and fun-filled workshop that will answer those questions. After hearing this presentation, you will walk away motivated and inspired. You'll learn how to apply some practical strategies that will empower you to make a positive change in your life and in the lives of others.
